Tennis Club Very Active This Spring

Will Open Season With Dance on Tuesday Evening—Increase In Membership

At the annual meeting of Coleman Tennis Club, the following officers were elected: President, Dr. R. P. Borden; vice-president, L. Lindoe; secretary, A. F. Short; subscription committee, W. L. Rippon and Frank H. Graham.

The tennis courts have been put in excellent condition, and everything points to a large and enthusiastic membership for this season.

Fees are payable to the secretary, or to the subscription committee. Transient memberships for periods of one month or more can be arranged by application to any of the officers.

DISTRICT SCHOOLS SPORTS DAY HERE ON MAY 24

Crows Nest Pass Schools Will Observe Victoria Day by Holding Field Day.

The inter-school sports meet for the Crows Nest Pass will be held this year at Coleman. In previous years this event has been held during the fall term but a change has been decided upon and the date has been fixed for the 24th of May.

Needling among other things some equipment for preparation for the racing and jumping (including pole-vauling) the High School students have decided to sponsor the program of the Chataqua entertainers at present appearing in Southern Alberta towns and are hoping the citizens of Coleman will be generous in their response to the ticket sellers now at work. Prices are 50c and 25c.

LOCAL BOARD WILL SUPPORT COLEMAN'S FIELD DAY

At the regular meeting of the Blairmore Board of School Trustees on Friday night last, it was again agreed to support the district school field day funds to the extent of \$18, representing \$1.00 per room. The field day programme will this year be held at Coleman.—Enterprise.

HOW "LUNATIC" LABOR LEADERS HAVE KILLED BRITISH COAL INDUSTRY

Addressing a meeting of miners at Cardiff, Wales, Lloyd George said: "There had been during the past 14 years five great stoppages in the basic industry of the country, and at the end of the fifth the miners found themselves in a worse plight than when they began. Was it not about time they realized that the policy of their leaders was one which led them nowhere except to destruction and chaos?"

The fault lay largely with the extremists and irreconcilable men on both sides. The railway men behave differently, because their leader, Mr. Thomas, shut up all the lunatics, and the railway men today are reaping the benefits of that leadership. The miners' leaders were just like doctors who would rather see their patient die than call in rival doctors.

Ramsay MacDonald, M.P., speaking at Abercynon said: "There never would be success in the coal fields until they discovered how there was going to be peace, and peace was not the sort of thing talked about sometimes by some sections of the labor movement."

DUZEE-HOPE WEDDING

On Monday evening at the home of Mr. and Mrs. Geo. Hope, their daughter Connie was wedded to Mr. Frank Byron Duzee, son of the late Mrs. and Mr. Bradford Finney Duzee, of Carstairs, Alta. The Rev. A. D. Currie, rector of St. Alban's, officiated, and the best man was Mr. H. M. Daffoe, and the bridesmaid Miss Ann Hall. Friends of the family present were Mr. and Mrs. W. L. Rippon, Mr. and Mrs. H. M. Daffoe, Mr. and Mrs. J. M. Rushton, Mrs. A. Hall, Mr. and Mrs. Bowling, Miss Dorothy Burrows and Miss Emily Greenhalgh.

The bride has lived here for many years and the bridegroom was for some time on the staff of the Bank of Commerce here. At present he is with the J. I. Case Co. in Calgary, where they will make their home, following their honeymoon trip to various places in the west.

Congratulations from many friends were extended the newly-weds prior to their departure on Monday night's train, they being showered with confetti and rice, and good wishes.

The time has gone by when the things people want can be had on the silent method. People have to ask for things they want. If you are working for anything, and just sit patiently and wait for people to speak to you and ask you what you want, you will have to wait a long time. You have to ask for what you want. That principle applies to business success. You have to ask the public for patronage, and show reasons why that patronage should be given, before you can get it. If a business makes no effort to secure patronage, and just waits quietly until it comes, it will wait a long time. People think such a concern lacks a spirit of enterprise. Newspaper advertising furnishes an abundant means by which the people can ask for patronage and show reasons why it should be given. It is the kind of appeal which people expect in these times, and to which they will respond.—Crabbrook Courier.

Self-Denial Week of Salvation Army

Local Officers Will Solicit Sub- scriptions in Pass Towns for Annual Campaign

The announcement is made from the Salvation Army that the annual period of self-denial will occur at Blairmore from April 28 to May 4, and at Coleman from May 11 to 18. For this period the officers of the Army are asked to give up the use of tea, coffee, butter, or some other articles of food and from this and other sources to make a special contribution to Army funds. All the Soldiers and Officers of the Army look forward to this period in the year and make preparations for service beyond the ordinary at that time.

The service which the Salvation Army renders is well understood and the funds collected in the period of self-denial are used to maintain these services. From the beginning the Army has sought to feed the hungry, to provide homes for the homeless, to care for the unfortunate, and in general to minister to all in distress. In Canada it has discharged these duties on a large scale in cities and towns from coast to coast and each year it is asked to assume responsibilities to meet pressing needs. None of the money collected in Canada is used in Army work in the Mother Country. The Army in Britain sends money to all countries, but receives for the work at home from none.

During the past few years the demands made on the Salvation Army in Western Canada have been unusually heavy, and the organization has undertaken responsibilities in all the provinces, including Western Ontario. In the effort in connection with self-denial it is hoped that money may be provided to cover, at least in part, some of these large undertakings.

Captain Thiersen, newly appointed officer to Coleman, and Lieut. Meakins will endeavor to call on the people of the Pass towns, and will appreciate the support of the people in this great annual effort to further the splendid work of the Salvation Army throughout the world.

Coleman Citizens Band paraded last Saturday evening and enlivened the air with several snappy march tunes. Diligent practices are being held with the view to entering the annual competition at Calgary tomorrow. Bandmaster Fulton and the members deserve a full measure of encouragement in their efforts.

The annual tournament of the Crows Nest Pass Golf Association is to be held at Blairmore on June 1-2-3. All clubs from Lethbridge to Cranbrook will probably be represented.

Vehicle 7 Highway Traffic Act Part 4.

Section 43.
Sub Sec. (3). Any person driving a Motor Vehicle within any City, Town or Village at a greater rate of speed than 15 miles per hour, or at a greater rate of speed than ten miles per hour in turning corners, shall prima facie be deemed to be driving at an unreasonable rate of speed.

Notice of Preparation of Assessment Roll

Town of Coleman Assessment Roll for Year 1929

NOTICE IS HEREBY GIVEN that the assessment roll of the town of Coleman for the year 1929, has been prepared and is now open for inspection at the office of the secretary-treasurer of the town from ten o'clock in the forenoon to four o'clock in the afternoon on every day which is not a public holiday, except Saturday, and on that day from ten o'clock in the forenoon until two o'clock in the afternoon, and that any person who desires to object to the entry of his name or to that of any other person upon the said roll or to the assessment of any property of extra assessed value placed upon any property for the year 1929, must within thirty days after the date of this notice lodge a complaint in writing with the secretary-treasurer of the town.

With the exception of the extra value added for the year, the 1928 assessment was adopted by the Council, for year 1929.—Section No. 204 of The Act.

Dated this 25th day of April, 1929.
JAMES FORD,
Secretary-Treasurer

THE MAGNITUDE OF "UNCLE TOM'S CABIN"

A motion picture that costs \$2,000,000 to make and another half million to advertise, sell and distribute!

That is the scale of endeavor in the motion picture industry today, and no picture better illustrates the magnitude of modern screen achievements than "Uncle Tom's Cabin."

To warrant such a great expenditure a picture must be based on sound and certain factors that will assure its successful appeal to the public. Carl Laemmle believes that "Uncle Tom's Cabin" has these qualities. The famous novel, it is said, has had a wider sale than any book ever published except the Bible. As a play it has been on the boards for 75 years, playing before more people than any other play ever written.

Injured This Morning at International Mine

Rock Fall Injures Back and Breaks Leg. Taken to Hospital in Serious Condition

Jim Bowsher, miner, was seriously injured by a rock fall in York Creek section of International mine this morning. Owing to the difficulty in getting him out and transporting him to town, it was 2:30 when he was admitted to the hospital.

Bowsher is one of the miners who helped to extricate Lethbridge and Lethbridge last November in the same section of the mine when they were killed by methane gas poisoning.

First-aid men working in the mine relieved his sufferings as far as possible till his arrival in town.

Splendid Partners

For Health and Cleanliness

Some one has said that Paint and Pride are Partners.

Let this be our slogan in Coleman of our Clean-up and Paint-up Campaign. If you buy Good Paint that has a reputation to live up to, you are safe, and you get much more value for your money than if you buy cheap paint, because it takes the same amount of your time and labor to apply cheap paint as it does to apply the very best.

We handle nothing but the best, and Geo. F. Stephens & Co. Paints and Varnishes and quick drying Enamels are guaranteed to be as good as the best that money can buy; also Stephens Silksone flat wall is fully guaranteed as well, and our price for this GOOD PAINT is just the same price as the large stores are charging for it in the Cities.

Your business is appreciated and your orders always have our careful attention. Yours for SERVICE, COURTESY and QUALITY BEFORE PRICE.

The New McLAUGHLIN- BUICK is the New Style

THE unprecedented popularity of the 1929 McLaughlin-Buick unquestionably establishes it as the new order of motor-car style.

The new Masterpiece Bodies by Fisher are revolutionary, it is true. Revolutionary in the majestic beauty of their appearance. Revolutionary in the richness of their contours and colours. Revolutionary in the spaciousness and sheer luxury of their interiors.

Revolutionary, in fact, in ALL the characteristics which make twice as many people choose McLaughlin-Buick as any other car at or above its price.

SENTINEL MOTORS

COLEMAN, ALBERTA

Clean Up, Paint Up, Keep It Up --- Increases the Value of Your Property

Words won't dye a dress, or coat, or sweater. It takes real anilines to do that. That's why Diamond Dyes contain from three to five times more anilines than any other dye—by actual test. It's the anilines in Diamond Dyes that do the work; that give the colors such brilliance; such depth and richness. It's real aniline that keeps them from giving things that'veyed look; from spotting or streaking.

Next time you have dyeing to do, try Diamond Dyes. **Then compare results.** See how soft, clear, new-looking the colors are. Observe how deep their brilliance. Your dealer will refund if you agree Diamond Dyes are better dyes.

"Its big car Luxury attracted me"

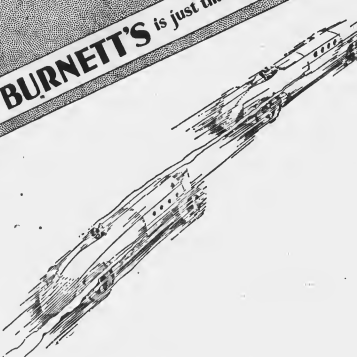

NOT that its luxury is its chief Big-car attraction. Beauty and performance compete for that distinction. But such luxury as Pontiac Big Six provides is so unusual in any save the higher priced cars that Pontiac is becoming the favorite with lady drivers. And "luxury" means more than the inviting interior of Bodies by Fisher. It includes the effortless steering . . . the care-dispelling mastery of highway and hill . . . the cushioning comfort of Lovejoy Shock Absorbers.

Experience its Big Six luxury, at the driver's seat . . . on the road. P-27-A-288

Spring Cleaning

Spring is the season of spring poets, rising sap, the return of the birds and—spring cleaning. The first breath of Spring seems to arouse in the breast of the gentlest woman an irresistible desire to turn the house inside out from cellar to garret. It is a yearly rite, an institution. Things no longer of use are discarded and replaced, necessary repairs are done where required, everything in fact put in ship shape order for the busy season ahead. But does that same painstaking housewife spring-clean the human machines on which she depends to direct and accomplish this seemingly important work? Does she realize that she cannot replace the broken or worn out mechanism that is her body, with which she must accomplish the daily duties of her small world? No, but the breaking down of the human machine can be prevented. The yearly physical examination is much more necessary for the beautiful and intricate body God has given man with which to do his work on earth, than the annual spring clean of the house and yard. A brilliant mind can accomplish so little if hampered by a broken body. Daily bread depends on a sound body. Why not make an appointment with your doctor this week and have that spring clean. Make it an annual affair.

Literature on the conservation of health can be had from the Canadian Red Cross Society, 407 Civic Block, Edmonton.

Arbor Day Monday, May 6th

Monday, May 6th, has been named as Arbor Day by decision of the Provincial Government. On this day special attention will be paid throughout the province to the planting of trees and flowers and the beautification of homes and grounds.

PERSONAL STATIONERY

The Journal office will print 100 good quality envelopes for \$1.00, or 100 letter size paper for \$1.00, printing limited to three lines consisting of name and address. Cash at the time of ordering. Leave an order for your personal correspondence.

Think It Over!

What Does the Outside Printer Do for the Town

Local printers spend the money earned in Coleman with local business concerns. When asked for an order by outside salesmen, who do not even stay in town to purchase a meal, remember that they do not pay taxes, purchase their merchandise, fuel, power or any service or commodity sold locally. Money spent with the local printer goes back into local business circles. When it goes to the outside printshop it deprives the local office of work and reduces its buying power for commodities or service sold by local concerns. Small towns have developed into cities by business co-operation and the promotion of enterprises that tend to stimulate business activity.

A number of friends gathered at the home of Mrs. Smith, Third street, last Friday evening in honor of Mrs. Lang and Mrs. D. McLean. Mrs. Lang has left for an extended visit at Vancouver, and Mr. and Mrs. McLean will leave shortly for Drumheller.

Increasing business has necessitated improved equipment in Antrobus' Shoe Store. A new stapler, the first of its kind to be installed in an Alberta shoe repair shop, arrived on Monday, and awaiting Mr. Antrobus in the repair end is Wm. Barnes, formerly of Calgary.

A shower was held at the home of Mrs. Bowling on Saturday in honor of Miss Connie Hope, those present being the Misses C. Hope, A. Hall, I. Lilya, E. Nielson, E. Greenhalgh, H. Houghton, K. Milley, D. Burrows, D. Burns and Mrs. D. Johnston. A basket of gifts was presented to Miss Hope, and the winners of the contest also gave their gifts to the guest of honor.

St. Paul's Church Anniversary Services

The United church was filled to capacity at both services on Sunday, when the Rev. Dr. Melvin of Lethbridge was the special speaker at the anniversary services, both addresses being of a helpful and inspirational nature. In the morning Mrs. S. G. Burton of Haysmore was the soloist, and in the evening Mr. Arthur Hadwell of Bellevue.

On Monday evening the annual supper was served by the Ladies Aid, and their splendid reputation for past efforts in this direction was fully maintained. Following the supper an address was given by Rev. Dr. Melvin, entitled

"That little classified ad. in The Journal sold my phonograph," stated an advertiser this week. Moral: If you have something to sell that somebody is likely to want, use the short cut by advertising it in The Journal.

ALBERTA

In the Ancient Roman Empire

From the Egyptians of 500 B.C. and earlier, the Greeks learned the art of brewing beer from barley.

In 400 B.C. beer was popular with the Armenians, while during the first century of the Christian era the Germans and the natives of West Europe (Spain and Gaul) improved the process, and beer made from barley and malt was the popular drink.

The Romans were also brewers of beer. Barley was known to them says Virgil, who uses it in the plural form "hordeas". Beer and vinegar were the drinks of Caesar's soldiers.

Today Malt Beverages BEER - ALE - STOUT are considered Health Drinks.

Parish Hall Opened at Hillcrest

On Thursday evening, April 18, inst. the new hall of St. Theresa's parish, Hillcrest, was officially opened. The children of the parish were given a banquet by the C. W. L., to which were invited many guests and friends. Among those present were noted Rev. Father Harrington of Blairmore and Rev. Father Lehman from Coleman, as also about a dozen of the young ladies from that parish. After the supper the children entertained by repeating a concert that they recently staged in Hillcrest. A lot of fun was provided too by the many games that were played. Rev. Father Donovan, parish priest at Hillcrest, presided at the festivities.

Open Season for Bear

An open season is declared for all species of bear in that part of the Province lying to the south of the Crow's Nest Branch of the Canadian Pacific Railway and to the west of the Range line between Range 26 and 27 west of the Fourth Meridian, but not including any portion of the Crow's Nest Forest Reserve or the Waterton Lakes Park.

Literary Society Social Evening

High School Pupils Held Merry Party in Oddfellows Hall Concluding With Dance

The Literary society of the High school improves in every party it holds, and last Friday evening a merry time was enjoyed by pupils and teachers, as well as the public school teachers. The first part of the evening was in charge of the program committee, the members of which deserve complimenting for the choice variation including instrumental selections, humorous sketches and dialogue and readings. The reading of the school newspaper by Bessie Crowder was a specially interesting feature, and humorous reference to pupils was received with continued laughter.

Those taking part in the program were Megan Jones, Bessie Crowder, Margaret Affair, Bell Flynn, Naylor, Gladys Higginbotham, Phyllis Shone, Winifred Dunlop, Marie Olson, Marjorie Halliwell, Joy Emmerson, and several others.

When Mrs. Altmatt's orchestra struck up "Sweethearts on Parade," there was not room for everybody to dance at the same time, and after a few dances lunch was served. Dancing was then resumed and continued till 2 a.m. this special privilege being granted because there was no school next day, so that the boys and girls could enjoy themselves to their heart's content.

The program committee were Megan Jones, Bessie Crowder, Gwen Brown and Jack Price.

High School Entertainment

An evening of unusual interest is promised the people of Coleman on Friday, April 26, when Haldy Strang will appear with his Chau tauqua group in concert and entertainment.

Strang as a comedian and character artist is excellent and in his numerous roles proves himself an able impersonator.

The program of music and comedy is well balanced and will appeal to children and adults. The concert is to be held in the Opera House under the auspices of the High School Literary Society.

The Oddfellows and Rebekahs anniversary of the founding of the order will be observed by the local lodges on April 26, in their lodge room, by the holding of a social evening. Oddfellows and Rebekahs are cordially invited to attend. Those who have attended the whisky drive during the winter have also been invited to attend, and any party who has attended during the winter and who has not received an invitation should get in touch with the committee, Mrs. Robert Evans or John Van Maarlon.

Personal and Local

Tennis has commenced, and with the advent of warmer weather the courts in Flumerfelt park will be the centre of attraction for those who love this popular form of outdoor sport. Dick Shone is already getting limbered up and has superintended the work of getting the courts into shape.

The death occurred on Monday of Wilma Goulding, aged 24 days, whose parents live in Graftonville. The funeral is to be held on Friday, the Rev. A. D. Currie officiating.

Work on the new stretch of road between the lake and Crows Nest station is proceeding. John Salvador putting on a number of teams this week. This will be hailed with joy by all who use the road, tourists as well as local autoists.

Advertisements placed in programs or similar forms of advertising are really to be classed as donations. They are solicited as advertising when really their object is to cover the cost of the printing of the particular event in view and leave a profit if possible. Rightly expenditures of this kind should be put under the heading of donations and not confused with advertising expenditure.

A CARD OF THANKS

The Italian Society of Coleman recently received a letter from John Cicconi, well known in both Blairmore and Coleman, in which he stated that his health is improving very slowly, but that he is in need of financial assistance. Therefore, an appeal has been made to his friends in Canada to help out. At a meeting of the Coleman Society it was decided to take up a subscription from fellow countrymen and others in Blairmore and Coleman, and Brothers D. Curcio and E. Peressini were authorized to canvass Blairmore, with the results as follows which totals to date \$62.95. This amount has been duly forwarded to Brother Cicconi at Ofena Aquila, Italy.—Enterprise.

Every ambitious citizen is anxious to contribute something in time or money towards the progress and welfare of the community in which he lives. Just paying taxes and keeping the law may be considered alright by the stand-patter, but communities thrive and progress by the individual and collective effort of progressive people who are willing to give something more than just what they take out of a community. The six ciphers in the figures 1,000,000 may look imposing, but they are just fillers. The figure that really counts for something is the first.

ST. ALBAN'S CHURCH, COLEMAN
Sunday, April 28, Evensong 7 p.m.
Wednesday, May 1, Confirmation service at 7 p.m.

In the afternoon of May 1st the Bishop will present the pins to Junior W. A. members entitled to the same. At the same time he will address the Senior members of the W. A. The time will be 4:15 p.m.

The Bishop will then proceed to Blairmore for Confirmation service at 8:30 p.m., after which the members of St. Luke's, Blairmore, will hold a reception in the Elks hall.

The Rural Deanery of Macleod will meet at St. Cyprian school, Brockton, Thursday, April 25th.
